

WHO WE ARE

Omni Family Health is a growing network of state-of-the-art health centers located throughout Kern, Kings, Tulare, and Fresno counties. Since 1978, Omni has provided high-quality primary and preventative healthcare to individuals and families in our communities, including comprehensive medical, dental, and behavioral health services.

As a mission-driven organization, Omni's team of committed providers and staff promote regular and continuous care regardless of a patient's ability to pay. Each year, nearly 135,000 patients are cared for by Omni's exceptional team of healthcare providers who specialize in a broad range of primary and specialty care.

Omni Family Health is the proud recipient of two national awards honoring the outstanding achievements and contributions of the organization in the community. Omni's best practice healthcare delivery system is demonstrated by Joint Commission and Patient Centered Health Home accreditation.

OUR MISSION

Omni Family Health is committed to improving the health of our communities by providing the highest quality healthcare to everyone.

OUR FAMILY SERVING YOURS

Omni Family Health is dedicated to ensuring accessible, affordable, quality healthcare services for patients of all ages and backgrounds. Omni accepts most insurance plans, however, medical insurance is not required to receive services. Medi-Cal, Medicare, and Denti-Cal are accepted forms of healthcare coverage.

No individual is denied service on the basis of race, religion, ethnicity, economic status, age, sex, sexual orientation, or disability. We offer free interpretation services at our health centers.
